Booker T. Washington Elementary

GRADE/ SUBJECT:

Interventionist K-4th

Curriculum Goal Exhibited:

**Goal #1- Increasing Student
Achievement**

Years of experience in CMSD: 11 years with CMSD

Schooling: I received my undergraduate (bachelor) Elementary Education degree from Delta State University in 2011 and my graduate (Master's) Special Education degree from Concordia University of Portland in 2018.

Why I chose Teaching: Teaching young minds is a task that cannot be taken lightly. It is full of challenges, frustrations, and responsibilities. However, it is a task that is also full of excitement, wonder, and joy. I strongly believe that all children are capable of learning, if they have the proper motivation and direction from their teachers.
