

CLARKSDALE MUNICIPAL SCHOOL DISTRICT

STUDENT CONDUCT FOR VIRTUAL LEARNING

CMSD Students, you will be expected to demonstrate appropriate behavior while participating in virtual classes. Listed below are expectations for our students for the first nine weeks of virtual classes.

Parents, we appreciate your support as you monitor your child's digital activity and learning.

1. When students are in front of the camera on their device, they must be appropriately dressed. Please do not wear pajamas, hair bonnets, hair scarves, or doo rags to class.

2. Students should find a quiet place in the home to login to class daily.

3. Respect each student's right to learn.

4. Demonstrate respect towards the teacher.

5. When students are attending a live session, you must mute your microphone, so no student's background noise interferes with instruction (remember there are going to be MANY students in each class online at the same time).

6. Have paper and pencil and any other supplies ready to use for class.

7. Written or verbal dialogue within the classroom will be appropriate grade level language; "text language" is unacceptable. Any form of profanity/vulgarity is prohibited.

8. Inappropriate behavior will result in the student being muted, the parent being contacted and may result in immediate removal up to and including alternative placement, expulsion and/or referral to law enforcement.

9. Students should not have any other electronic devices in use while in class (cellphones, games etc.)

The Clarksdale Municipal School District Student Code of Conduct applies to student behavior through virtual learning. We look forward to the opportunity we have to build stronger relationships between school and home. Please contact us if you have questions or need assistance as we navigate this new adventure, we are here to help!
